Students and staff were asked to respond to an NS10-specific Campus Needs Survey. Results for specific questions can be found below.

This information will be used by the counselors in the planning of activities.

This information will be used when planning duty times and locations for staff.

Demographics Summary

Problem Statements Identifying Demographics Needs

Problem Statement 1: Students identified as SpEd do not complete Career and Technology Education coursework consistent with their post-secondary goals. **Root Cause:** There is a lack of understanding on how to provide effective career counseling for this subgroup across all campuses.

Problem Statement 2: Student attendance is consistently below the state average. **Root Cause:** Students and parents do not see the immediate consequences of their poor attendance.
