To best serve the needs of Galena Park ISD students and staff, the District will attempt to maintain the 22:1 ratio in all K-4th core classrooms. However, if the class size exceeds this ratio, the Superintendent will report the circumstance to the Board of Trustees.

In the event a K-4th grade core classroom reaches 25:1, the campus will contact the parents of the students in the classroom and inform them of the situation. The District will provide relief by placing an instructional aide in the classroom for the duration of time it remains at or above the 25:1 ratio.
