Dear Galena Park Middle School Parents and Guardians:

Our campus is committed to maintaining a safe and secure environment for all students and staff. It is our number one priority. As such, I need to let you know of a new precautionary measure we will be implementing at Galena Park Middle School, effective immediately.

Galena Park Middle School will be a SEAFOOD-FREE campus for the 2023-24 school year to ensure a safe and healthy environment for our students with severe allergies. The school cafeteria will not prepare or serve any item containing seafood products. Parents and staff are asked to ensure the seafood-free zone by not sending or bringing prepared meals which include seafood. Seafood items / products include tuna fish, fish, shrimp, crawfish, crab, etc. We ask for your cooperation and support as we work together to ensure a SEAFOOD-FREE campus.

Respectfully,

Elizabeth Nava, Principal

Seafood-free

Campus

Seafood on any food container in a seafood-free zone is not allowed. Seafood is not allowed in any area with a sign that says "Seafood-free".
